Western Multiple Sclerosis Center at UWMC

Directions to the Western Multiple Sclerosis Center

Maps showing driving directions and a close-up of UW Medical Center are on page 2-3.

UW Medical Center is located at 1959 N.E. Pacific St., the south end of the University of Washington campus.

From Interstate 5: Take Exit 168B (Bellevue, State Route 520) heading east. Then take the Montlake Boulevard Exit and follow the signs to University of Washington Medical Center.

From Interstate 405: Take Exit 14 (Seattle via Evergreen Point Bridge, State Route 520) heading west. Then take the Montlake Boulevard exit and follow the signs to University of Washington Medical Center.

Parking: The underground Triangle Parking Garage across N.E. Pacific Street from the Medical Center's main entrance is for patients and visitors. It is located on the north side of N.E. Pacific Street in the triangle formed by Montlake Boulevard N.E., N.E. Pacific Street, and N.E. Pacific Place. The entrance is on the northwest side of the triangle. A pedestrian tunnel leads from the garage to the Medical Center.

Disability parking: If you have a mobility impairment, disability parking is available in the S-1 parking lot. Turn off of N.E. Pacific Street toward the emergency entrance. Check in at the parking booth for further instructions.

Parking validation: This is provided for patients and visitors using the Triangle and S-1 lots. The maximum parking fee is \$4 per day (subject to change) for validated patients and visitors. Ask for validation from the clinic receptionist as you leave the clinic.

Directions to the Clinics

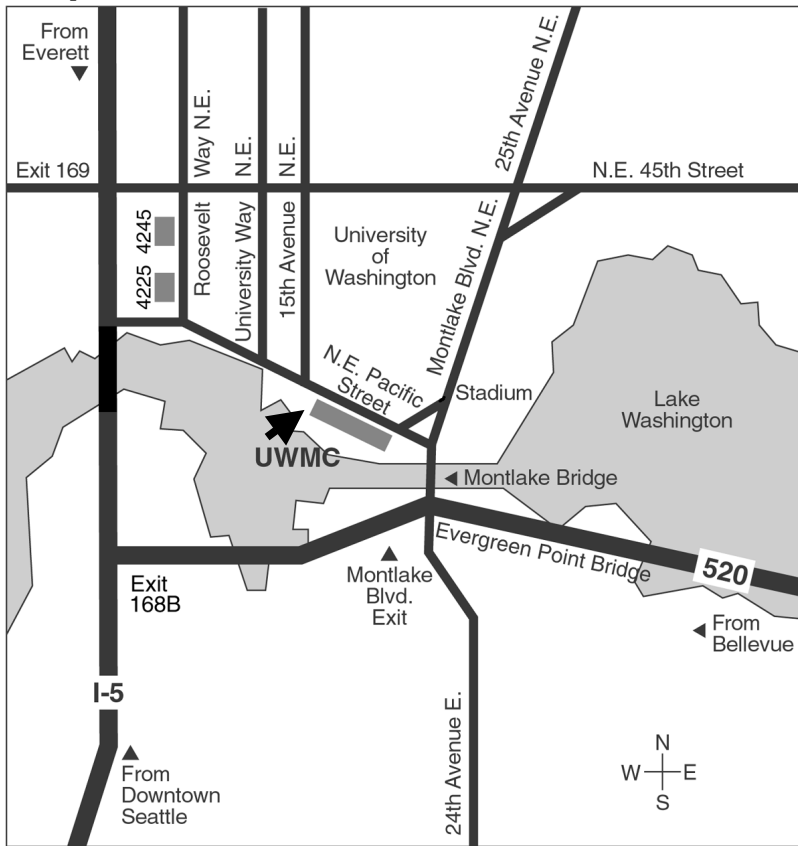

There are two clinics: the Rehabilitation Clinic and the Neurology Clinic, and both are in the same area on the 8th floor of the hospital. At times, staff see patients at other locations. You need to confirm with the receptionist which clinic you will need to go to for your next visit. **If you park in the Triangle Parking Garage:** You will enter the front door of the hospital building on the 3rd floor.

- To reach the **8th floor Neurology Clinic** or the **8th floor Rehabilitation Clinic**, proceed to the right (West) end of the lobby and take the **Pacific Elevators** up to the 8th floor. After you exit the elevator, turn right (East).

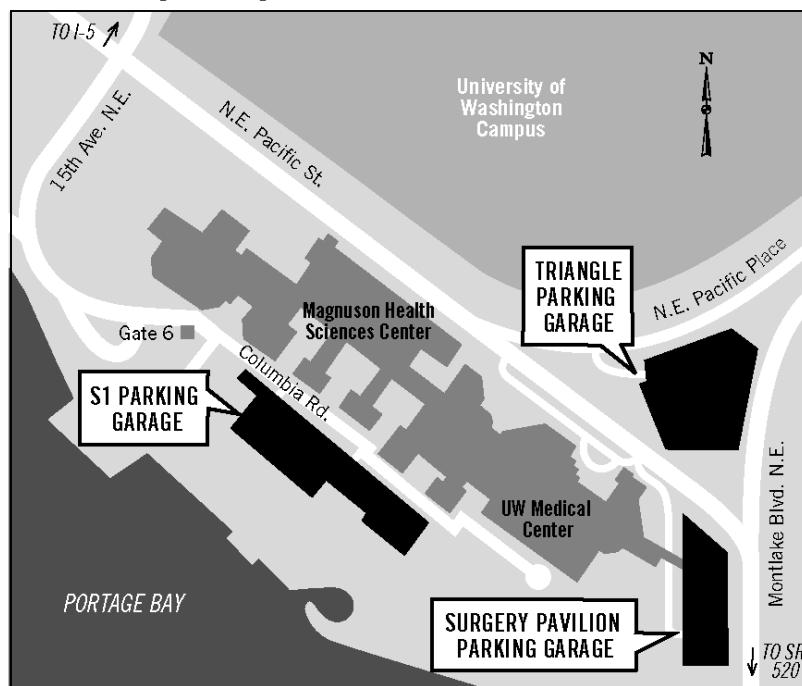

If you park in the disability parking area (lot S-1): You will enter the building on the 1st floor, or basement.

- To reach the **8th floor Rehabilitation Clinic** or the **8th floor Neurology Clinic**, follow the hallway to the Pacific elevators. Go to the 8th floor. The clinic is to the right (East) as you exit the elevator.
