Where to Buy Compression Stockings

In the Seattle area and online

This handout lists Seattle-area and online stores where you can buy compression stockings.

Before You Shop

Your doctor gave you a prescription for compression stockings. Prices for these stockings vary by brand. Before you buy your stockings:

- Check with your insurance to see if your plan will cover part or all of the cost.
- Find out what size, length, and mercury level you need. Ask your doctor, lymphedema therapist, or vendor contact to measure you.
