After Your X-rays in the EP Lab

Self-care at home

This handout gives information about self-care after having X-rays.

X-rays were used during your procedure. It is rare to have side effects after having X-rays, but it is possible.

Follow-up

Today is: _____

Once a week for 8 weeks, please have someone check the skin on your back and upper arms for:

- Hair loss
- Redness
- Rash

If you have any of these symptoms or have questions or concerns about your procedure, please call the electrophysiology nurses at 206-598-7906.
