

Donor Egg Banks and Checklist

Helpful information

This handout is for women who plan to become pregnant using frozen eggs. It lists where to buy eggs and the tasks that must be done before undergoing a treatment cycle.

University Reproductive Care (URC) follows Food and Drug Administration requirements and American Society for Reproductive Medicine guidelines for use of donor sperm or eggs (gametes).

Talk with your URC provider if you have any questions about your egg bank options.

Donor Egg Banks

Egg Bank	Options
<p>Northwest Cryobank www.nwcryobank.com 800.786.5251</p>	<p>You can buy 6 frozen mature eggs from this bank. You may also pay for a guarantee that you will get 1 embryo that results in pregnancy or at least 2 quality embryos from the group.</p>
<p>The World Egg Bank www.theworldeggbank.com 877.331.2427</p>	<p>This bank has many options, including buying existing frozen eggs or choosing a donor to undergo a treatment cycle to create frozen eggs or embryos for you.</p>
<p>Fairfax Egg Bank www.fairfaxeggbank.com 888.353.5577</p>	<p>You can buy 6 to 8 frozen mature eggs from this bank. The price includes a guarantee that you will get at least 1 quality embryo in the group.</p>
<p>Donor Egg Bank www.donoreggbankusa.com 855.344.2265</p>	<p>You can buy 5 to 9 frozen mature eggs from this bank. The price includes a guarantee that you will get at least 1 quality day-3 embryo in the group.</p>
