

Your Follow-up Appointments for Your Subcutaneous Implantable Cardiac Defibrillator (ICD)

Who to Call

- **If you have urgent concerns, call 911.**
- If you have questions about your appointments, call the Cardiology Clinic at 206.598.4300 weekdays between 8 a.m. and 5 p.m.
- If you have a question about your procedure, care after your procedure, or your ICD follow-up:
 - Weekdays between 8 a.m. and 4:30 p.m., call your EP Nurse:
_____ at _____
 - Weekends, holidays, or after hours, call 206.598.6190 and ask for the Electrophysiology (EP) Fellow on call to be paged. The EP Fellow is a doctor who works with your primary electrophysiologist. These doctors specialize in caring for patients with ICDs.
