Buugaag ka hadlaya Murugada iyo Khasaaraha

Safe Passage (Marin Badbaado Leh)

Waxa qoray Molly Fumia

Kani waa buug si fudud loo akhriyi karo oo ka fiirsashada murugada. Qoraagu wuxuu isticmaalaa xigashooyin iyo qoraallo asal ah si uu noogu hago marinnada ama dariiqooyinka looga baxo murugada ee xagga bogsashada iyo rajada.

Tear Soup (Maraqa ilmada)

Waxaa qoray Pat Schwiebert and Chuck DeKlyen, waxaana sawirada u sameeyey Taylor Bills

Buuggan sawirada leh waxa loogu talagalay carruurta iyo dadka waaweyn labadaba ee waayay qof ay jeclaayeen. Qofka ugu miuhiimsan ee ay sheekadu ku socotaa waa haweeney da' ah oo lagu magacaabo Grandy, oo uu soo gaartay khasaare weyn. Buugeeda Tear Soup (Maraqa ilmada) wuxuu Grandy uga raaxeynayaa oo wuu ka caawiyaa inuu buuxiyo booskii nolosheeda ee banaanaaday ee uu khasaaruhu kaga tegay.

A Time to Grieve (Waqti La Murugoodo)

Waxaa qoray Carol Staudacher

Buugani waa wehel kaa caawinaya wakhtiga adag ee murugada. Waxa ku jira ka-fiirsasho si toos ah kula hadlaysa haddii aad wali dareemayso saamaynta khasaarahaaga. Buugani wuxuu noqon karaa mid waxtar leh iyadoon loo eegin waqtiga qofka aad jeceshahay uu dhintay ama meesha ay marayso xaaladaada murugadu.

In Lieu of Flowers (Halkii Ubaxa ama Bedelka Ubaxa)

Waxaa qoray Nancy Cobb

Ma jirto hab khaldan oo loo murugoodo, laakiin sheekada ku saabsan sida qoraagu ugu suurtagashay inuu u wajaho geerida waalidkeed iyo kuwa kale ee ay jeceshahay ayaa tusaale caafimaad ah siinaysa. Waxaa loo qoray si caqli iyo kaftan leh, buugan waxa uu ina xasuusinayaa in aan la xidhiidhno kuwa aan jecelnahay, kuwa nool iyo kuwa dhintay labadaba.

Mourning and Mitzvah (Tacsida iyo Mitzvah)

Waxaa qoray Anne Brener

Joornaalkan la hagayo waxaa loogu talagalay qof kasta oo ku socda dariiqa murugada oo loo sii dhexmaro murugo ilaa bogsashada. Waxaa loogu talagalay kuwa ka murugaysan geerida ama nooc kasta oo khasaare ah, ama kuwa taageera qofka laga dhintay, buugani wuxuu barayaa awoodda iyo xoogga habka murugada.

Midlife Orphan (Agoonimada Nolosha Dhexe)

Waxaa qoray Jane Brooks

Buugani wuxuu caawiyaa carruurta waaweyn inay fahmaan oo ka murugoodaan isbeddelka noloshooda ku dhaca marka waalidkood da'da ah ay dhintaan. Badanaa waxaan isticmaalnaa ereyga "agoon" oo aan ula jeedno carruurta yaryar - laakiin xitaa dadka waaweyn ee da'da dhexe waxay dareemi karaan xanuunka agoonnimada.

*Waxa aan bilaabay in aan ku
waayo oo xiiso
muddo dheer ka hor intaadan tegin.
Waxaan ku jeclaan doonaa muddo
dheer ka dib
markii ay xasuustu ku soo celiso.*

Books on Grief and Loss

Safe Passage

by Molly Fumia

This is an easy-to-read book of meditations on grieving. The author uses quotes and original writings to guide us through the passages of grief toward healing and hope.

Tear Soup

by Pat Schwiebert and Chuck DeKlyen, illustrated by Taylor Bills

This illustrated book is for both children and adults who have lost a loved one. The main character is an old woman named Grandy, who has suffered a major loss. Grandy's tear soup comforts her and helps fill the void in her life that her loss left.

A Time to Grieve

by Carol Staudacher

This book is a companion to help you through the difficult time of grief. It includes meditations that speak directly to you if you are still feeling the effects of your loss. This book can be helpful no matter when your loved one died or where you are in your grieving process.

In Lieu of Flowers

by Nancy Cobb

There is no wrong way to grieve, but the story of how the author managed to face the deaths of her parents and other loved ones provides a healthy example. Written with intelligence and humor, this book reminds us to stay connected with our loved ones, both living and deceased.

Mourning and Mitzvah

by Anne Brener

This guided journal is for anyone who is walking the mourner’s path through grief to healing. For those who mourn a death or any kind of loss, or for those who are supporting the bereaved, this book teaches the power and strength of the grieving process.

Midlife Orphan

by Jane Brooks

This book helps adult children understand and grieve the changes that occur in their lives when their elderly parents die. Often we use the word “orphan” to mean young children – but even middle-aged adults can feel the pain of being an orphan.

I started missing you long

before you were gone.

I’ll keep loving you long after

the memories bring you back.
