

Donor Sperm Banks

This handout gives the names and contact information for sperm banks that the Center for Reproductive Care and Fertility and the Male Fertility Lab have worked with in the past. Other sperm banks are also available.

Please read the handout **“Non-Identified Donor Sperm Checklist”** for a list of steps needed before you can use donor sperm.

Questions?

Your questions are important. Call your doctor or healthcare provider if you have questions or concerns.

Center for Reproductive Health and Fertility:

Weekdays 8 am – 5 pm: Call 206.598.4225

After hours, weekends, and holidays: Call 206.598.6190 and ask to page the CRHF provider on call.

For questions about sperm shipping and storage, call the Male Fertility Lab at 206.598.1001.
