

Lodging Resource Guide

University of Washington Medical Center (UWMC) is a regional hospital that cares for many patients from out of town. Lodging near the hospital can be expensive, so this guide lists short-term and long-term housing options.

Note: Prices and availability change often. Taxes and fees are not included in the rates shown.

Fred Hutch Cancer Patients

If you are a **current patient of Fred Hutch Cancer Center**, check the **Fred Hutch Housing Guide**: www.fredhutch.org/content/dam/www/clinical-pdf/housing/lodging-options-brochure.pdf.

Call 206.606.7263 or email housing@seattlecca.org to confirm your eligibility.

Transportation Shuttles

Free shuttles are available for oncology patients and families receiving care at UWMC or FHCC.

- **Health Sciences Shuttle**: transportation.uw.edu/getting-around/shuttles/health-sciences-express
- **FHCC Shuttles**: fredhutch.org/en/about/contact-us/transportation/shuttle-schedule.html

Shuttle hours are limited and do not serve the Fred Hutch Proton Therapy Center or Northwest Hospital.

Insurance and Paying for Lodging

- Some insurance plans offer **travel or lodging benefits**
 - Call your insurance company to learn about benefits, limits, and reimbursement
 - If your plan requires a **letter of medical necessity**, your clinic team can help
- **Original Medicare** does **not** include travel benefits
- **Apple Health/Medicaid** may help with lodging or transportation. Contact your clinic team as soon as possible for more information.

Financial Assistance

- UW Medical Center does not offer financial assistance for lodging
- Some community or charity programs may help oncology patients
- Ask your clinic team about available resources
- For assistance with medical bills please see:
 - **UWMC Financial Assistance**: uwmedicine.org/patient-resources/billing-and-insurance/financial-assistance-application
 - **FHCC Financial Assistance**: fredhutch.org/en/patient-care/patient-services/insurance-and-billing/financial-assistance.html

Questions?

Your questions are important. Call your doctor or healthcare provider if you have questions or concerns.
